## **Emergency Alert! -- Help Me Save My Videos & YouTube Channel!**

**Dear Friend,**

This is the most important letter I have ever sent to you! The Zionists have launched an all-out, brutal effort to wipe out my powerful, world-changing Videos and Youtube Channel.

**Without your help-- we will lose *our greatest tool* to expose & depose these tyrants!**

**Yesterday -- they began their attack by banning my video previewing my very soon to be published -- world-changing new book -- *The Illustrated Protocols of Zion.***

**Then they immediately removed 7 more of my powerful videos. and stop any new uploads!**

YouTube then sent me notice that my video channel and all my videos:

**"... the David Duke Channel will be terminated in ten days."**

The Jewish extremists are in a hateful rage about my new book -- even before its release! They desperately want to keep people from reading my amazing book, and to kill my videos, -- **the most powerful tools on Earth that expose their crimes against Europeans and all humanity.**

They are livid with hatred and rage over the fact that **over 90 percent of my millions of viewers rate my videos "thumbs up!" They are determined to wage all out war against me.**

The first time the Zionists tried to terminate my Youtube site they claimed my videos were "hate speech" that violated "community values." A heroic effort by my most generous and dedicated supporters, expending both time and money -- won! -- **My videos were ruled not "hate speech" and restored. The truth is that over 90 percent of people simply recognize the truth when they hear it expressed as clearly and effectively as I do!**

The Zio-haters are **relentless.** Failing to silence me with "hateful lies alleging hate," they now try bogus copyright claims to close my channel and ban my videos. But, under "fair use" I have every right to excerpt broadcasts to expose media bias and use public domain material.

**So, now I am in the fight of my life to save my videos and channel -- so that you and millions of others can use them to help wake up our friends and families. Without your immediate, most generous support, we cannot win this "David and Goliath" battle.**

I have already contacted lawyers, including those who helped me **win** my last battles against both copyright charges and YouTube takedowns. Unfortunately, great legal help and other costs are enormously expensive. Effective alternatives and strategies to YouTube also demand a lot of money and effort. We must now **upgrade** our own video server. I will outline my plans and strategies on the next page! **Please make a gift and give me your heartfelt commitment to support me in this fight to save my videos which are so critical for our survival and freedom.**

**Please give your generous support and action, because without your help we will lose our most powerful weapon for our freedom and heritage! -- Sincerely, Dr. David Duke**

# BANNED !

## ***Zios Demand YouTube Block My Videos & Channel***

This is “one of those times that try men’s souls.” I knew that this big Zio push to silence my powerful and convincing videos was inevitable. Now we must fight!

They want to wipe out my YouTube channel with its millions of views and tens of thousands of subscribers.

They have already removed my Youtube preview video of my *Illustrated Protocols of Zion* — just a few short weeks before its release... along with 7 other videos , and they sent notice tto me that all the rest of my videos and my channel will be taken down within 10 days or sooner!

I immediately started a formal appeal to fight loss of the most powerful weapon we

have to defend our heritage and freedom — and to expose the Zio-criminals who dominate the Zio-Globalist governments, media and finance of the Western World. **They seek nothing less than to destroy the European Peoples and the human rights of all peoples.**

**If you treasure these videos and realize their great power to awaken the world, please help save them and my Channel — and help my work to wake up America and the World!**

We won our previous battle with Youtube, but without your support NOW, we will **LOSE this vital resource.** In addition to legal and other means to defend my videos, we are upgrading my video server and the alternate ways to keep my videos reaching the world! Please download all my videos and publish them on YouTube and all channels.

Gifts over \$100 will receive **The Illustrated protocols of Zion**, and will be tallied with any previous gifts for the *lowest certified number*. As special thanks those who give over \$500 will be invited to a personal phone conversation with me and a gift of \$1000 are invited to a personal visit with me ! Thank YOU for your support!

*David Duke*
